Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The above-identified patent application is a divisional of U.S. Application Number 09/902,684, filed July 12, 2001, which is a divisional of U.S. Application No. 09/026,408, filed February 19, 1998. The sequence listing of the instant application is identical to the sequence content of the computer readable form of the sequence listing previously filed in connection with Application No. 09/026,408.

In accordance with 37 C.F.R. § 1.821(e), please use the computer readable form last/previously filed in connection with Application No. 09/026,408 as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing is included in the specification of the instant application filed herewith. Applicants hereby certify that the paper copy of the Sequence Listing filed herewith and the computer readable form filed in connection with Application No. 09/026,408 on February 19, 1998 are the same and do not include new matter.

Dated: July 29, 2003

Respectfully submitted,

By
